

Nissan Forklift

Nissan prides itself on achieving complete client fulfillment when their client is enjoying one of their countless trucks, cars or forklifts. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to delivering high value and meticulous quality standards to their clients. Incorporating a prosperous heritage combined with solid processing principals, Nissan lift trucks supply a few of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to sustain their worldwide lift truck demands. Committed to offering consumer support, the business has four independent production facilities that allow them to persistently adapt to their clients continually evolving needs by offering a variety of innovative ideas and designs.

The Nissan Lift truck North and South American base is located in Marengo, Illinois. A loyal team of 350 personnel is fully committed to the cooperation, design and fabrication of their goods. Operating under the ISO-9001 and ISO-14001 certifications, allows each sector of the Nissan Forklift Corporation to maintain environmental accountability by utilizing systems that reduce the global effect of their goods and processes. These high standards remind clients that Nissan operates under the quality seal that their clients require while being an environmentally aware organization.

Nissan is confident that they will be capable of addressing any buyer inquiries or considerations. Always available through their website or by calling 800.871.LIFT, contacting one of their community endorsed sellers or even going to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their hospitality and dedication.
